

REQUEST FOR ACCESS TO MY CHILDREN'S GRADES AND ATTENDANCE VIA THE INTERNET

**Please return one form per family to the school your
youngest child attends.**

Dear Parent/Guardian:

The Santa Rosa Consolidated Schools plan to provide access to your children's grade and attendance via the internet during the 2009-2010 school year. The program is called **PARENT AIDE**. A link to the program can be found on the district's web site at www.srlions.com. The link is located on the bottom of the homepage.

As a parent, your single user name and password will give you access to all of your children's attendance and discipline records, daily and report card grades, and demographic information regardless of the school they attend. When you login, each of your children's names will be posted. When you select a child's name, you will be taken to that child's record.

To request access to your children's information, please provide the information requested below. Please return only one form per family to the school your youngest child attends.

Please print and answer all questions.
